For nominated Exchange Students: 01.05. for the winter semester 01.11. for the summer semester	<p>Private liability insurance (optional)</p> <p>This type of insurance (in German "Haftpflichtversicherung") compensates for personal injury and damage to property caused by unintentional misconduct. It is not obligatory to take out liability insurance but we strongly recommend it. For example, personal injuries could be caused by a bicycle accident (harm to another person) or you rent an apartment while traveling in Germany and something gets damaged by accident. Please check in your home country if any type of insurance applies in Germany (or also other European countries, if you plan to travel). Costs: approx. 20-25€ for 6 months.
